For those who don’t know who are the hamdanis; they are a group of people because of reading the commentaries of ‘Adl Al Hamdan on some books of the salaf, they have adapted the methodology of Adl Al Hamdan As Saudi.

‘Adl Al Hamdan because he is a saudi man, saudi is partner of the intelligence games of america.

They have put hundreds of monotheist scholars into prisons but they print the books of ‘Adl Al Hamdan and through ‘Adl Al Hamdan they managed to make a group in advantage of saudi’s politics and region.

You might ask how the hamdani’s methodology serve saudi’s politics and countries of the region and america?

Let me prove it to you.

The methodology of the hamdanis

1 - The hamdanis believe that any government that rules by man-made laws, abandon the shar’i punishments, allow adultery, allow the selling of wine and doesn’t kill apostate that government is not kafir (disbeliever) but had only committed a sin.

Saudi knew only madkhalism is not enough to go against the jihadists they made hamdanism aswell so that through the hamdani scholars they take people away from the jihadists and saudi be protected from the methodology of establishing takfir upon ruling by other than what Allah has revealed that’s why a hamdani who understands hamdanism doesn’t consider saudi as dar al kufr.

2 - In the methodology of the hamdanis taking back judgement to the taghut is not major kufr; this fulfilled a dream of saudi because saudi take judgement to the united states of america therefore there’s not a hamdani that can say saudi is kaffir because of this action.

3 - Spying for the kuffar (disbelievers) is not kufr akbar (major kufr) meaning saudi and the other countries when they give a muslim to america and europe or make someone among the muslims get arrested for these governments then you cannot takfir them so with this fatwa they make the path easy for the people to make muslims get arrested and give them to the secularist governments and their brain become free of worries that by this action they will not become kafir (disbeliever).

So the target of saudi and the countries of the region is that people do spying for them and people if they know they dont become kafir the work becomes easy to them because they say Allah forgives sins but doesn't forgive kufr therefore we dont become kafir by this action and it becomes easy to them.

Establishing takfir upon dawla is the biggest target of the intelligence agency of america and saudi, you are anything be it just take people away from dawla because dawla is a danger on america, yahud (jews) and secularism so more important than anything is to take people away from dawla so that dawla cannot bring back the islamic caliphate, they looked so much but they couldn't find a kufr from dawla so they made the topic of the ash'ari scholars as an excuse to takfir dawla.

Okay, with the aqeedah (methodology) of the hamdanis I say let's assume the ash'ari scholars are disbelievers! If anyone doesn't takfir a murtad, does takfir get established upon them directly ?

In the aqeedah of the hamdanis someone not establishing takfir upon a murtad, after iqama hujjah and removing all their doubts then takfir get established upon them.

Did you go to do iqama hujjah on dawla and answer each doubts of dawla ? Answer - doesn’t exist - what’s important is to takfir dawla. While look, the main fight of the hamdanis is not with asha’ira, where’s their books on answering the doubts of the asha’ira? Where is their fight of comments and posts against asha’ira ??

They make asha’ira as an excuse to fight the munasirin (supporters) and dawla , if their purpose is to oppose the asha’ira then they should let their posts and and books face the asha’ira we consider the methodology of the asha’ira as kufr (disbelief) why are they attached to us if this is not a plan and not directed from america and saudi ?

To you spying for kafir, taking back judgement to the taghut and judging by man-made laws the doer is not kafir and you do not have any fight of posts, comments and books in opposition of these type of people.

But when we only said we takfir the asha’ira after iqama hujjah, all your opposition and fights are only facing us ! While what we said is the quotes of hunderds of scholars among the salaf and khalaf that someone ignorant and who have taw'il on sifat, takfir get established upon them after iqama hujjah.

So your plans are obvious the target from creating you is normalising spying for the kuffar and opposing dawla more than that you don't have any problems, not any secularist government have problems with you because your fight against secularism is zero all your fights are facing the muslims.

So now does this hadith apply to us or to you

(يقتلون اهل الاسلام ويدعون اهل الاوثـان)

They will kill the Muslims but will not disturb the idolaters !

In one handspan of this earth you don't have someone in fight against secularism and rawafigh but you have thousands of dogs to oppose dawla and munasirin (supporters).

O someone who has been fooled by that fake methodolgy which has been covered falsely (fakely) in the cover of salafiyyah, know well salaf didn't differenciate between any kafir, they fought every kafir.

If you consider us as kafir, go ahead fight us like men , fight the secularists, try bringing back the khilafah, start war and do activities against the secularists. you dont do it, because as the madakhilah you think doing war against the secularists is fitnah and doesn’t have benefit !

مالكم كيف تحكـمون !

Is there any unclearness in this intelligence agency game of america and saudi ??

Our evidence is that your actions is enough to prove the truthfulness of our words.

Allah Ta’ala says :

(يَعْتَذِرُونَ إِلَيْكُمْ إِذَا رَجَعْتُمْ إِلَيْهِمْ ۚ قُل لَّا تَعْتَذِرُوا لَن نُّؤْمِنَ لَكُمْ قَدْ نَبَّأَنَا
اللَّهُ مِنْ أَخْبَارِكُمْ ۚ وَسَيَرَى اللَّهُ عَمَلَكُمْ وَرَسُولُهُ ثُمَّ تُرَدُّونَ إِلَىٰ عَالِمِ الْغَيْبِ
وَالشَّهَادَةِ فَيُنَبِّئُكُم بِمَا كُنتُمْ تَعْمَلُونَ)

They will make excuses to you when you have returned to them. Say, "Make no excuse - never will we believe you. Allāh has already informed us of your news [i.e., affair]. And

Allāh will observe your deeds, and [so will] His Messenger; then you will be taken back to the Knower of the unseen and the witnessed, and He will inform you of what you used to do."
